# Nursery Afternoon Activities

Our optional afternoon sessions running each day, offer a range of engaging activities for pupils to enjoy

## Monday - STEM

A multi-sensory session with a different focus each week, introducing elements of Science, Technology, Engineering and Maths and allowing the children to use a variety of materials and methods

## Tuesday - Highgate Woods

At Highgate Woods the children will have the opportunity to develop their whole self by exploring nature, balancing on fallen logs and climbing on branches. This space also lends itself very well to imaginative and cooperative play

## Wednesday - Art and Craft

A creative afternoon, working with a wide range of materials and helping to promote self-expression and stimulate the senses

## Thursday - Music and Library Visits

A combination of music, singing, rhythmic games and instrumental involvement. Children will learn how to arrange the bells in gradation and to play the musical scale

## Friday - Cookery

A chance to have a go at preparing, creating and tasting a range of culinary delights, helping children to develop confidence in their own skills and abilities
